The Energy Crisis arrived in 1974 and we were forced to adapt to new ways of living. Basketball schedules were shortened and field trips were cancelled due to the fuel shortage. This also meant colder classrooms and a change to Daylight Saving Time with school hours 10-4.

Despite all of these problems, the students and faculty were busy preparing for the school evaluation. School was dismissed early on days that committee meetings were held and general repairs were made in order to spruce up the school for the evaluation committee. Student tours were given and each classroom was outfitted with a specially painted blue and white chair for the evaluators.

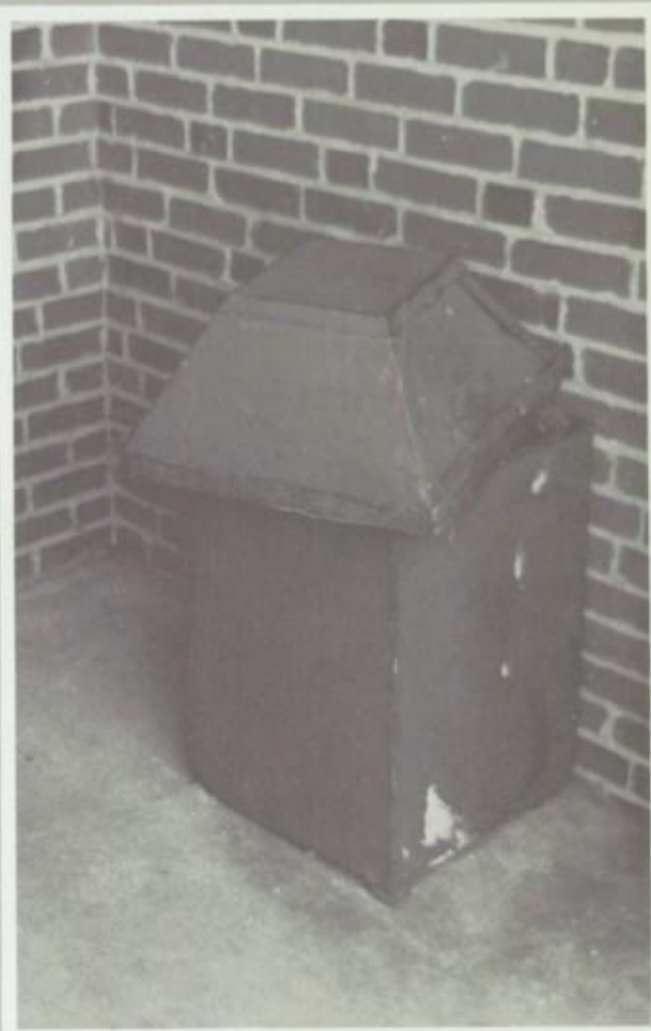

Students were introduced to many new subjects and activities—Sociology . . . Civics . . . Field Day . . . Faculty—Student. Basketball Game. Project Merge sent students to Richmond every day to work at Goodwill Industries for on the job training.

The PTA sponsored a carnival to raise money for purchasing student lockers.

Learning took a new shape with new books in the Social Studies and English departments. Watergate was the topic of many discussions within these classes.

The latest fashions were worn at school because New Kent students have become very fashion conscious within the past few years. Everything from baggies to platforms to overalls to converse were sported.

PART I.

EVENTS

Field Day . . . Faculty—Student basketball game . . . the musical "All-American" . . . all of these were new activities in 1973-74. While students enjoyed these new activities the old ones were supported by an ever-increasing enthusiasm . . . Homecoming . . . Prom . . . Yearbook Signing party.

This section of the Iliad is devoted to the students who made and took part in these activities.

Yearbook Arrival Creates Excitement

Seniors recall many fond memories of the past year.

Here's my money! Where's my yearbook???

The dancing is the best part of the yearbook dance.

Tim Rose points out a picture to some friends.

The second annual yearbook dance was given this year by the yearbook staff after the Middlesex game to distribute the 1973 *Iliad*. Everyone was happy and excited at the arrival of the books. The winning of the game also helped to heighten the atmosphere. Music was supplied by the VIP's and everyone enjoyed dancing and generally having themselves a good time.

The yearbook staff prepares for the dance to begin.

Homecoming Brings Tears Of Excitement And Tears Of Defeat

Shock, happiness, and tears as Ruth realizes she is the Homecoming Queen

Everyone was sure it would rain for Homecoming since it had been wet two years in a row. However, it turned out to be a gorgeous night. At halftime the band performed and the colorful floats were presented with their lovely representatives. Excitement rose for the long awaited moment to hear the name of the 1973-74 Homecoming Queen. Everyone was in smiles except Ruth Christian who was in tears. Mr. Brown crowned Ruth while past Queen Sharon O'Brien looked on. The game went on but tears of defeat came. New Kent lost their first game of the season by the score 14 to 12. The VIP'S lefted everyone's spirits at the dance after the game.

The majorettes and cheerleaders do a dance routine to the music of the marching band.

First place ninth grade—TROJANS BAND THE BULL

Second place eleventh grade—TROJANS HAVE A GOLDEN VICTORY

Third place twelfth grade—HANG 'EM HIGH

It was a long night for some.

Elsie, who is your dance partner???

Paper Shortage Created Basketball Game

Worried or confident?????

The student body loudly supported the students.

"Jumping John" goes up!

The seventh grade huddle to make plans.

Before Easter vacation the paper supply was running out. To meet this crisis, the faculty challenged the student body to a basketball game. With the challenge accepted, teams were chosen to represent each class. Students eagerly paid their money to see the exciting game. The proceeds from the game were used to purchase duplicating paper for the faculty.

Mr. Eagle gets advice from Coach Boyce.

"Simple?? Just flip it in!"

NK Students Awarded Many Honors

Mr. Gilley presented Clinton Allen and award for Rifel Shooting.

The trophy case grew with awards from the athletic contests.

Miss Macon presented awards to Nathan Winston for accepting responsibility and leadership with the school store, and Wanda Verlander for Most Cooperative Student.

NK Monograms for athletic ability.

Art Instructor, Ed Hall presented awards to Seniors in Art I, II, III, IV for outstanding Achievement.

Coaches Allen, Boyce, and Richards presented awards to team members at VHSL Banquet on May 28, 1974.

Field Day Was A Big Success

Facial expression of spectators showed the excitement on the field.

Ruth Howard shows determination as a member of her relay team.

Carson Thompson—all alone at the finish.

George Jones rounds the corner well ahead of his competitors.

A field day was sponsored by the Beta Club which allowed students to compete in track and field events. The excitement was intense. Those who did not take part in the events were just as enthusiastic as those who were fighting for the ribbons which were awarded as prizes. The Physical Education Department assisted the Beta Club by having its students engage in serious events. Juniors and Seniors also competed against each other in different events. The just-for-fun events were enjoyed by everyone.

The girls got in on the action with emotion filled races.

Mr. Eagle announced to a capacity crowd.

Alvin Denkins makes a good hand-off.

The tug-of-war started out fine . . .

. . . but ended with a crash.

"All American" Enthusiastically Received

The Annual Fine Arts Festival was held on May 31-June 1, 1974. The play "All American" was presented in the auditorium with art exhibits on display in the gym. A cast of 35 presented the Broadway Musical "All American" to packed audiences both evenings. Leading characters were: Bruce Moody—Professor Fodorsky; Anne Shiflett—Dean Elizabeth Hawks Bullocks; Steve Caldwell—"Bricker the Kicker"; Cindy Thomas—"Libber" Susan Peidmont. Also, many patrons purchased student works from the art collection.

The Old Immigration and Naturalization Rag.

"A bridge is very important to people who don't like to get their feet wet."

The coach gives the team a rough talk.

"I can teach them!"

"This is a very awkward position to be in!"

"Once upon a time . . ."

"It's the REAL ME!"

"You said, Yes, Yes, Yes, and then a kiss . . . just like this one."

When stars come peeping . . . there goes sleeping.

"This is Lincoln, This is Horatio Alger, This is Fodorsky."

They smeared HULK!

SBIT Football Team received honors.

Ryland Jones poses with his exhibit.

The Spirit of Youth Has Just Begun

"We've Only Just Begun" was the theme chosen by the Juniors for the 1974 edition of the Junior-Senior Prom. Music was presented by the Jades of Newport News amid an array of bridges, fountains, tables, and food in the gymnasium. Many hours of hard work, directed by Junior class sponsors Watkins, D'Elia, and Glasser lead to a memorable prom splashed with the class colors of orchid and purple.

Young men try to decide what is "in" for the prom.

Marvin Minor, helped by Mr. Terry, tries to decide which tux to order.

Mrs. Watkins waits for the next person to order his tux.

Mr. D'Elia and Anthony Green risk their lives to put up the parachute.

Mrs. Thomas, Mrs. Moore, and Mrs. Cummings seemed to be enjoying themselves.

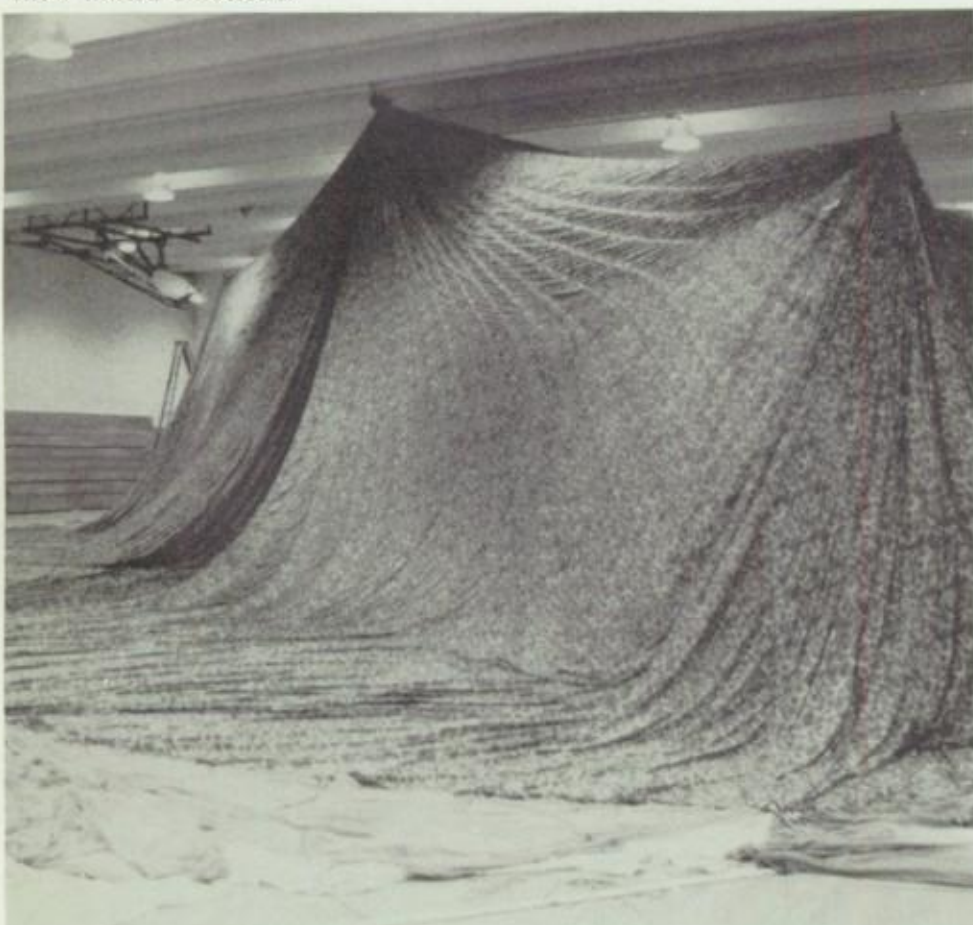

Decorations dazzled the eye and the imagination.

Flora Brown, Alfred Mason, Edward Christian, and Brenda Akrie show mixed emotions.

A rose between two thorns?

What goes up must come down!

And twelve hours before this was the prom.

Graduation—The Long Awaited Moment

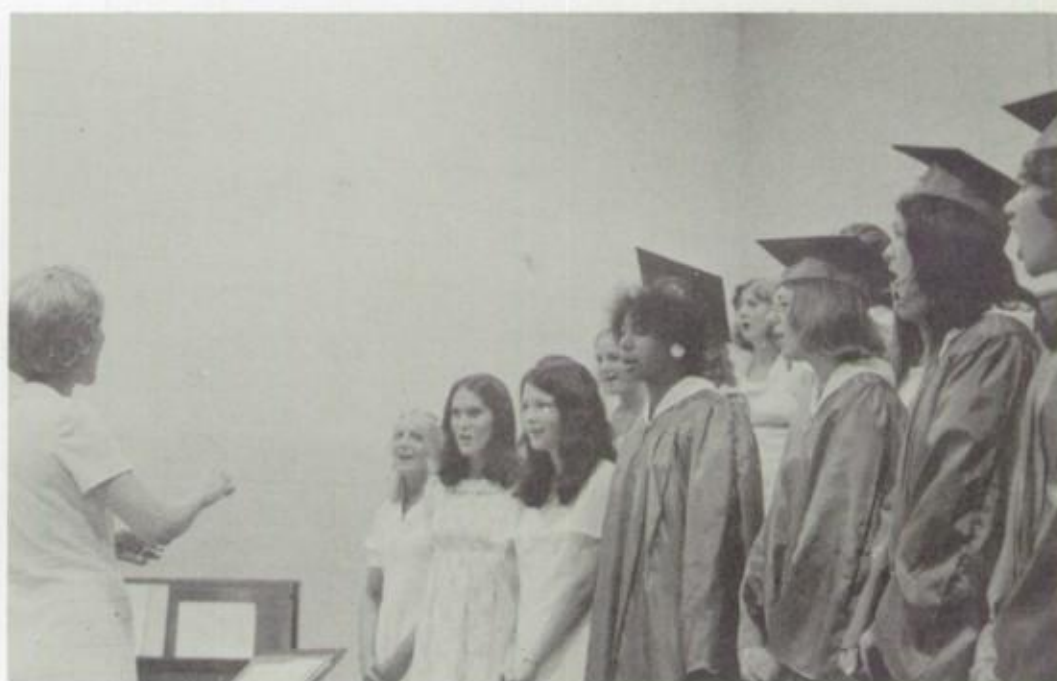

Graduation Exercises were held June 7, 1974, at 8 p.m. The speaker for the evening was The Honorable Thomas N. Downing, Representative of Virginia's First Congressional District. The Reverend Floyd W. Davis, Pastor of the Ebenezer Baptist Church, gave the Invocation. Robert Burrell, Senior Class President, introduced the speaker. Darrell Allen rendered the Valadictory address and Saluatorian Katherine Staskiel gave the Welcome. Mr. N. W. Eagle presented the awards and Mr. H. Kenneth Brown, Superintendent of Schools, presented the graduates with their diplomas. The Concert Band and the Glee Club furnished the music for the commencement.

The evening was filled with "Pomp and Circumstances."

The Rev. Floyd Davis delivered the invocation.

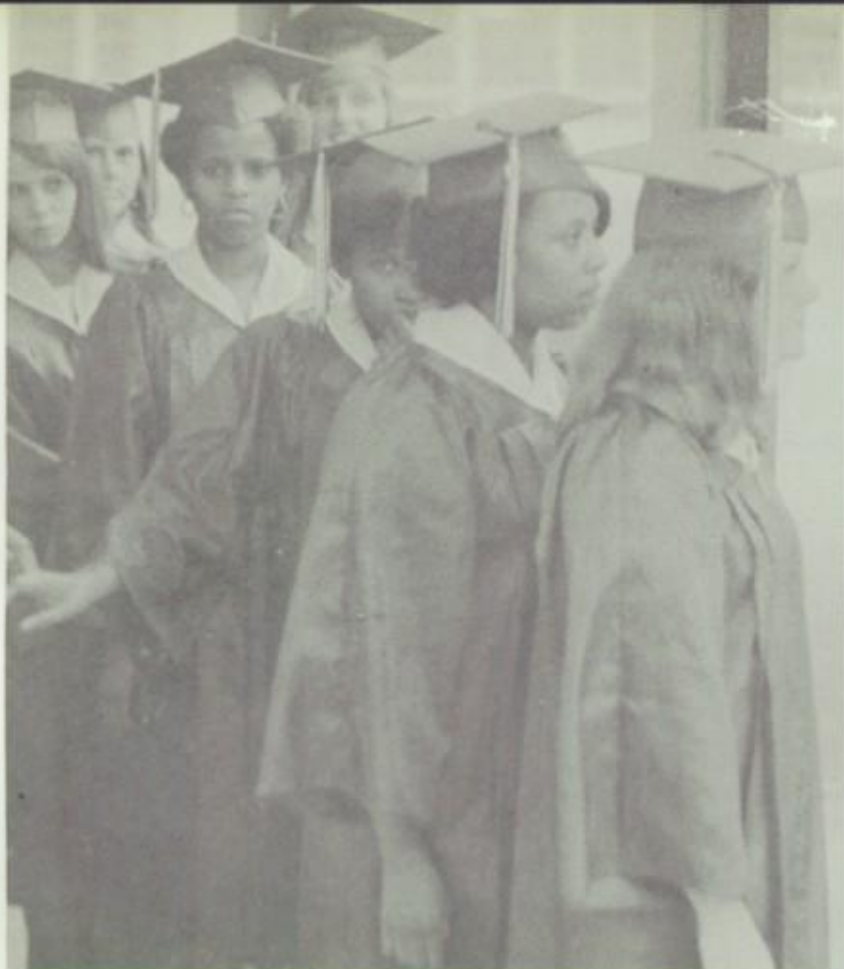

The Glee Club added music for the evening.

This is what we've all been working for!

The Honorable Thomas N. Downing, the Graduation speaker.

Anxious moments.

The President of the Senior Class receives his diploma.

The tassels are switched, the evening is almost over.

Paul Davis and Marian Foley reflect on the evenings' happenings.

The graduates weren't the only happy ones.

Seniors Made Ready For the Final Day

The Class of 1974

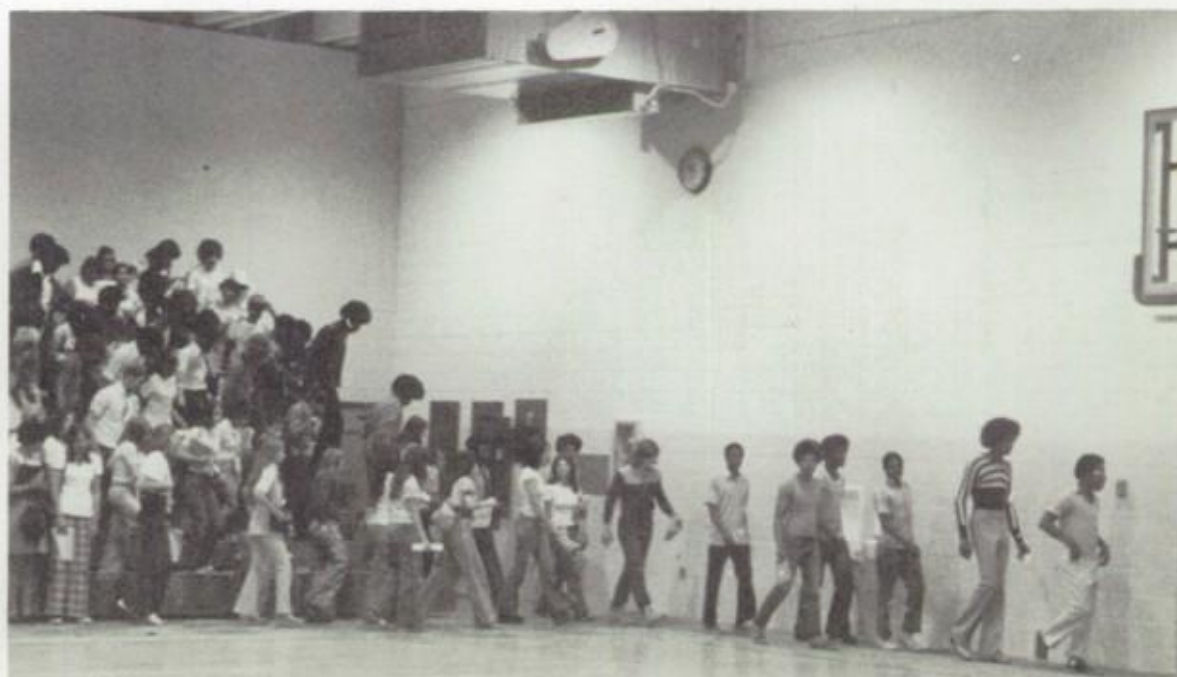

Getting caps, gowns, and invitations filled all with excitement.

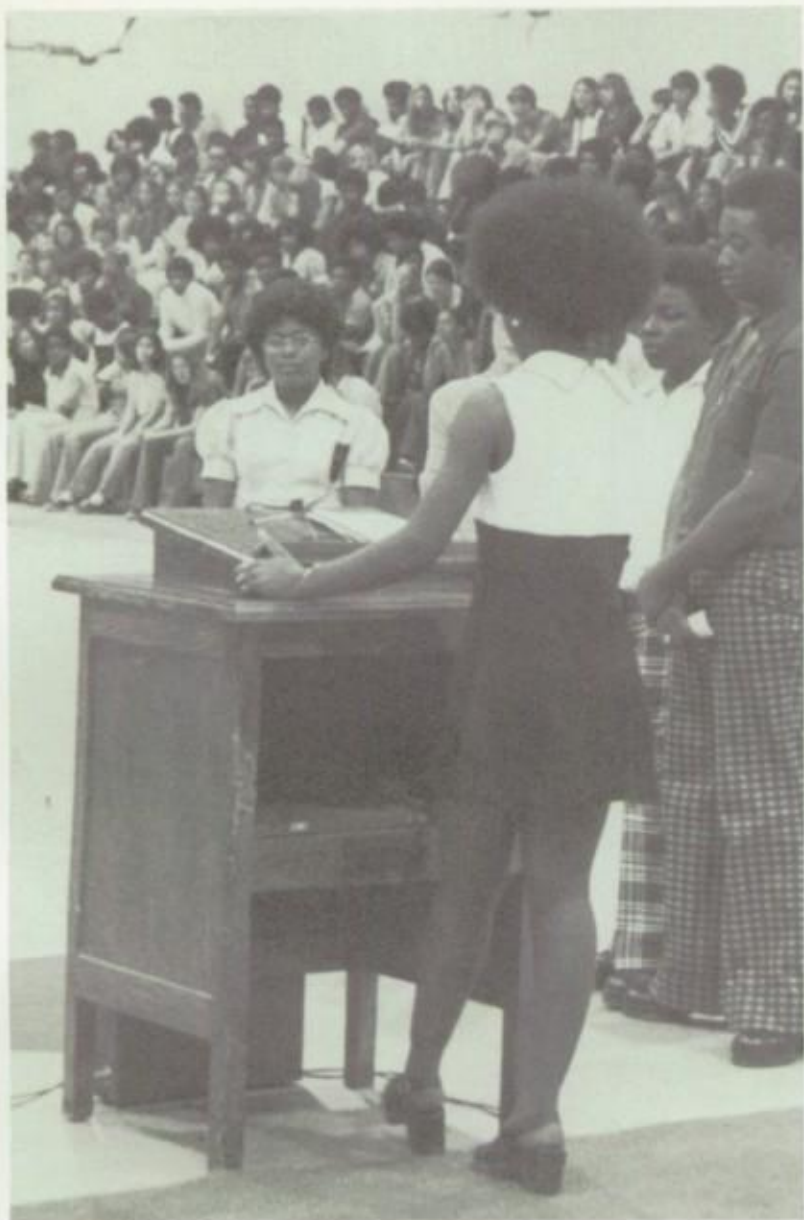

"Can you believe it!"

"It really fits!"

The Seniors leave the last assembly first.

CLUBS

Snake Show Was A Big Success

SCA Council: 7th grade—Cindy Kemp, Johnna Bradly, Debra Bowman; 8th grade—Annette Bailey, Sinceray Christian, William Wallace, Sue Bendl; 9th grade—Pam Dill, Sharon Taylor, Renorval Travers; 10th grade—Theresa Thompson, Ruth Howard, Addie Harris; 11th grade—Lisa Oertel, Anne Shiflett; 12th grade—Larry Akrie, Robert Green, Flora Brown.

This year's edition of student government carried on the usual business and added many new ideas and activities. The smoking lounge, which allowed students to smoke with parental permission, was passed for a second year. Members participated in two major fund raising activities, the magazine sales and the poster sales. The SCA also passed a revised senior exemption policy. This new policy allowed seniors to be exempted, on certain conditions, at mid-term as well as final exams. The SCA purchased two emergency lights for the gymnasium. Also a coke machine was installed in the Science building. This was funded by the SCA.

Officers: President—Patricia Paige; Vice-President—Robert Burrell; Sec.—Kathy Staskiel; Treas.—Janet Johnson; Rep.—Leonard Pemberton.

Lauren Delong and Kathy Adams vote for new SCA officers.

Students with smoking permits take a break between classes.

Mary O'Brien has a unwelcome passenger.

The audience played a big part in the success of the snake presentation.

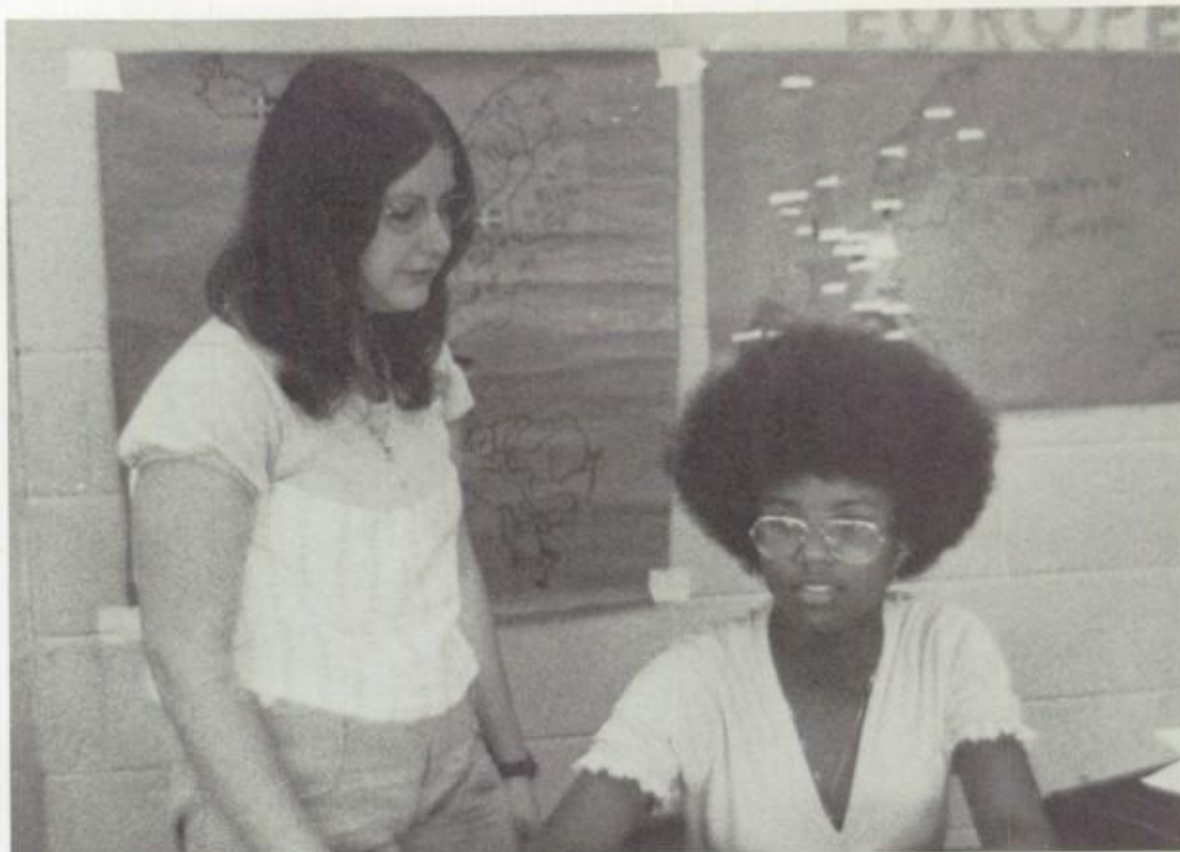

The area around the coke machine was very busy after school.

Female students acted as assistants during SCA assemblies.

The Trojan Had A Successful Year

Once again the Trojan brought the New Kent students news of clubs, classes, and sports. "Seen Around" kept everyone abreast of what everyone was doing. Co-editors Kathy Staskiel and Pat Paige, assisted by Asst. Editor Debbie Snedegar, Seen Around Editor Linda Taylor, Art Editor Nancy Lemons, and Class and Club Editor Mollie Gordon worked hard to complete each issue.

Yearbook Receives Merit Award From SIPA

The yearbook staff sponsored a yearbook dance this year to distribute 1973 yearbooks, which turned out to be another great success. Since the distribution of these books, the staff has been busy selling ads, taking pictures, selling charms and collecting money. Working with a new company was a challenging job. New techniques of layout and yearbook production had to be learned. The *Iliad* has recently become a member of SIPA and received an award in its class for the '73 *Iliad*.

Mr. Glasser is caught in the process of shooting some pictures for the *Iliad*.

Brenda Akrie, business manager enters Bradley's Grocery in hopes of selling an ad.

Posters and bulletin-boards decorate the yearbook room with work and sales slogans.

Mrs. Moore presented awards to the yearbook staff during the awards assembly.

Cropping can sometimes be a very tedious job.

Glee Club Performed At Cornith Baptist Church

This year the Glee Club went to the Virginia museum to see two musicals. They also practiced very hard for their annual Christmas program however, it was cancelled due to snow. May was a busy month singing at Cornith Baptist Church for Memorial Day services and working hard for New Kent's Commencement Exercises.

Current member, Mollie Gordon, taps Terri Black.

In planning its activities, this year's Beta Club had to battle the weather. The Christmas social was cancelled because of a snowstorm just before the vacation. Nevertheless, the Beta Club still managed to have one fund-raising activity Field Day. It was a huge success and the proceeds were used for a scholarship. Carson Thompson received this award at graduation. This scholarship was based on high school standing and contributions made to the school.

Mother-Daughter Banquet Was Successful

The Future Homemakers of America started the year off by taking a field trip to the Virginia State Fair. Initiation was the next exciting event for the new as well as the old members. During the year the F.H.A. participated in various fund-raising projects such as selling Stanley Products. The members made stuffed animals for the children's hospital and valentines for a convalescent home. The program of work was centered around "Our Community and School". They were involved in cleaning the inside and the outside of our school. In the spring, the F.H.A. gave a very rewarding mother-daughter banquet with a fashion show and installation of officers. Junior and chapter degrees were also given out.

F.H.A. officers are Pres.—Kay Leftwich, V-Pres.—Theresa Thompson, Sec.—Janet Johnson, Treas.—Susan Theimer, Rep.—Flora Brown

Bruce Moody placed third in the District public speaking contest. Forestry Field Day was held at West Point, with NK members winning prizes. As a team they placed third in forestry judging contest and second in the soil judging contest in Richmond.

John Jefferson receives an award for service to the FFA.

New Kent Marching Trojans Have a Great Year

The Trojan Marching Band has taken trips to Hopewell for a parade, West Point and King & Queen for half-time activities.

Four people were selected to participate in the All-Regional Band at Spotsylvania County High School.

Concerts were given at the high school and the elementary school. The concert band also played at graduation. There was a great variety of new resource books used this year to help the students with independent study.

All the seniors who had actively participated in the band received awards.

Mollie Gordon Wins State Title For New Kent

New Kent was the host school for the District and Regional Forensics. The district competition was held on January 18, at Rappahannock Community College. The Regionals were held at New Kent High on February 9th. In State competition, Mollie Gordon finished 1st in Girls Extemporaneous Speaking. In the District, Patricia Paige received 3rd place in Girls Poetry Reading. Violet Jefferson finished 3rd in Spelling competition. In District and Regional competition, Tim Rose finished 2nd.

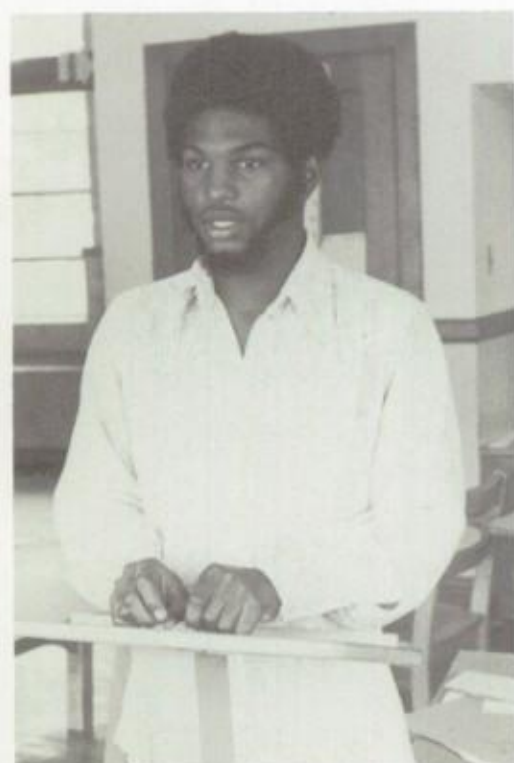

Mollie Gordon studies for Girls Extemporaneous Speaking.

Debbie Alvis receives her trophy for Girls Original Oratory.

Russell Johnson receives his trophy from Mr. Eagle for Boys Poetry Reading.

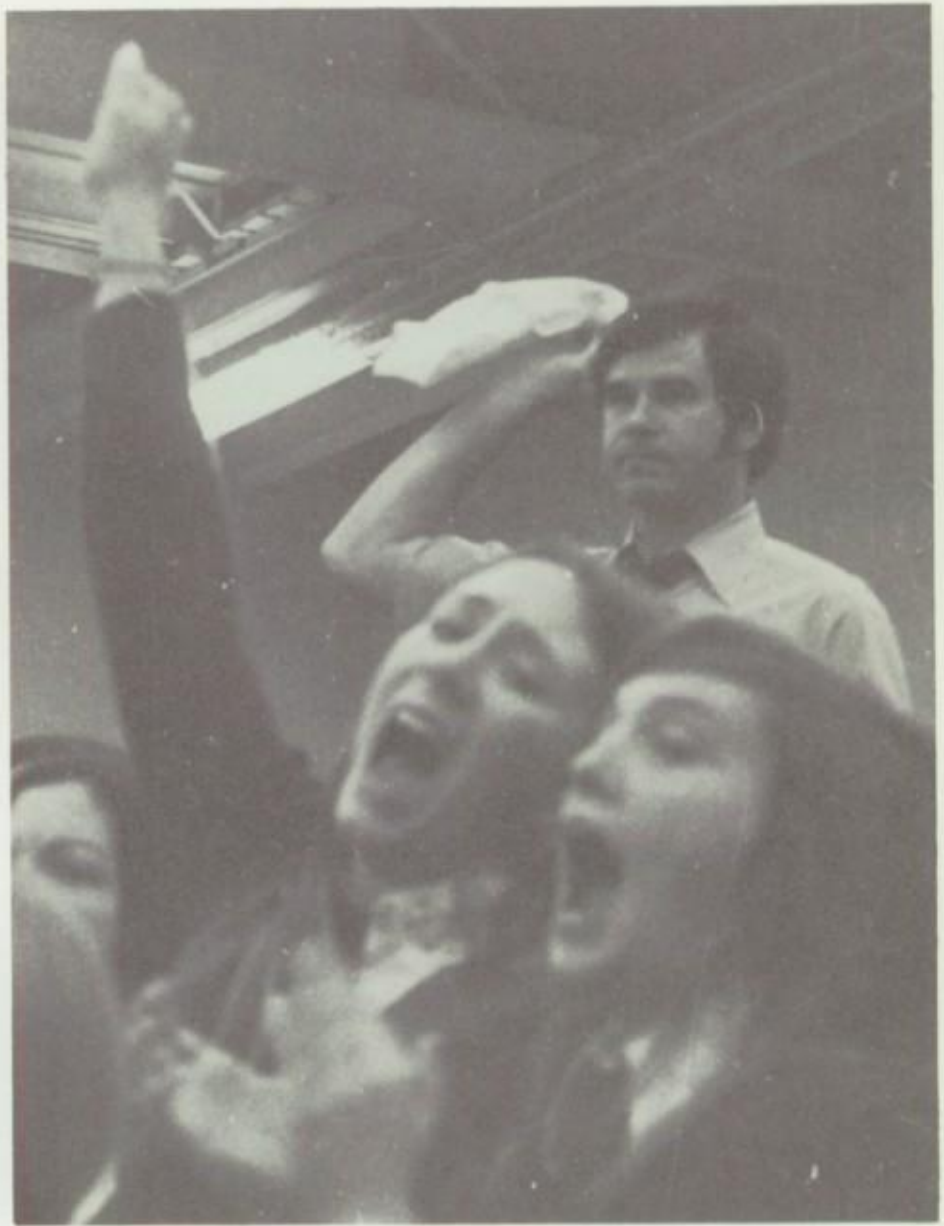

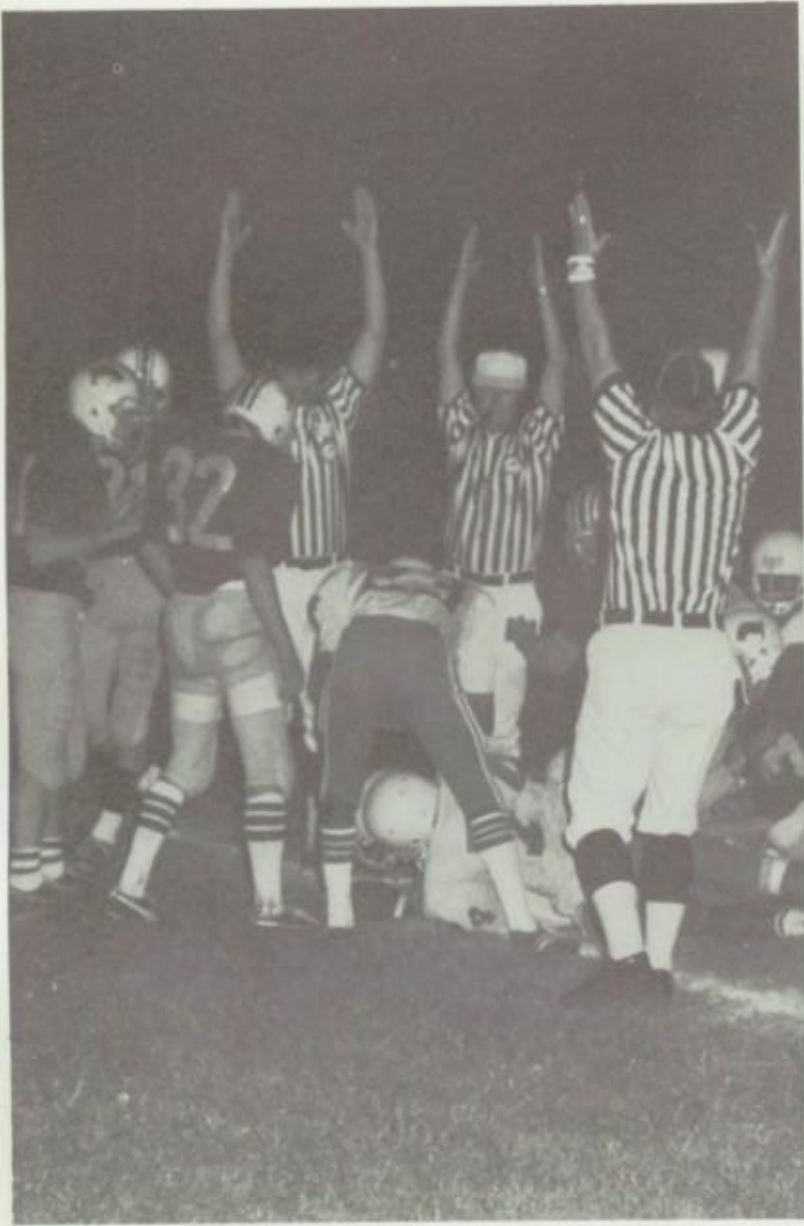

Wade Glenn practices his speech for Forensic tryouts.

Steve Caldwell studies hard for Boys Extemporaneous Speaking.

Lisa Oertel practices for Girls Prose Reading.

SPORTS

Varsity Football

The hard hitting Trojans captured their third district championship in four years by defeating their arch rival West Point 7 to 6. Under the leadership of five new coaches, the team boasted a record of 9-1. Seven of which were shutouts against them.

No one really expected the team to come through this year. They were small in number and in size. "Have you ever seen a big piece of 'Dynamite'?" But through faith, team spirit, and practice twice a day on hot summer days, they became champions.

The team members are M. Neville, R. Akrie, C. Crump, R. Lee, P. Davis, K. Christian, J. Mason, S. Wallace, C. Thompson, C. Green, L. Akrie, K. Simon, F. Christian, T. Dixon, L. Martin, M. Peace, C. Ellis, T. Meredith, A. Otey, J. Jones, B. Wiley, J. Jefferson, L. Harris, D. Brooks, D. Armstrong, J. Bassett, A. Green, T. Tuck, W. DeLong, B. Underwood, R. Johnson, A. Armstrong.

The cheerleaders were also introduced and did a cheer for good luck. At this time, Carl Richards promised four things to the boys. They were that he would stop smoking, they would win district, they would capture the state crown, and last but not least, New Kent would beat their rival West Point. Three out of four is not bad.

Fifth Row: James Maybush, Ricky Carlton, Mark Adams, Wayne Jackson, Chris Dougherty, Frank Christian, George Jones, Imazel Blake.

The Trojan Junior Varsity Express got off to a slow start, but it rapidly picked up momentum as it roared toward the Tidewater District championship. Although they lost their first two games by close margins, the young Trojans gained valuable experience that they used in the latter part of the season.

Player development was the keynote of the Junior Varsity season. Inexperienced players bolstered by the confidence of district victories over Poquoson, West Point, and King William, avenged an early season loss to Mathews by winning the rematch 14 to 8 to capture the District Title.

New Kent's Outburst In Overtime Wins Tidewater Championship

The Trojans exploded in overtime to shock favored West Point, 63-60, and captured the Tidewater District Tournament at York High School.

The NK cagers had to face Poquoson and King William before meeting West Point. Led by the scoring of Robert Burrell, Frank Christian, and Lorenzo Washington with 21, 19, and 11 points, the Trojans disposed of Poquoson in the first round, 78-71. The next night the Trojans turned what was a close game into a runaway as they poured in 35 points in the fourth quarter to defeat King William, 95-77. Frank Christian led the scoring with 28 points, followed by Tyrone Smith with 23 and Robert Burrell with 20.

In the title game the Trojans gave West Point all they could handle. Trailing most of the game, the NK cagers never gave up. They came alive in the second half and carried the momentum into overtime. Frank Christian and Robert Burrell sparked the Trojans with Christian icing the win with two free throws with two seconds left.

Trojans Participate In Regional Play

For the second time in three years the New Kent basketball team took part in the Regional Tournament held at Randolph Macon College in Ashland. In the first round the Trojans breezed to an easy 85-65 win over Painter Central. Robert Burrell, Tyrone Smith, and Frank Christian did the damage with 21, 19, and 17 points.

The next night the Trojans had to fight uphill all the way against the hot shooting of the Trojans from Essex, only to come up on the short end of a 68-66 score. Leading the Trojan effort was Tyrone Smith with 19 points. Robert Burrell and Frank Christian were selected to represent New Kent on the All-Regional Team.

The New Kent Trojan basketball team overcame inconsistency and a general lack of confidence to put together a productive season. Most of the credit goes to Coaches Ed Allen and Rusty Curle. The players and the coaches put in many hours of sweat and hard work to achieve the ultimate goal—the district crown. The Trojans had to put up with many frustrations during the season. The energy crisis took its toll as the season was cut down from 20 games to 14 games. The first half of the season found the Trojans to be an up and down team, but during the second half of the season, the Trojans came together and portrayed a sense of team spirit that proved to be hard to beat. The frustrations were a thing of the past. Tyrone Smith, Frank Christian, and Robert Burrell were the leading scorers for the Trojans. Robert Burrell was named to the All-District Team. Lorenzo Washington and Paul Davis contributed tremendous efforts in each game. Clyde Otey, Al Otey, Bruce Wiley, Dwight Brooks, and Scott Wallace played an important part in the success of the team, as all ten members were instrumental in each game.

The energy crisis changed the complexion of this year's basketball season. Not only was the number of games cut back, but three games were played each night producing tired athletes, spectators, and sleepy students. The Junior Varsity Squad played the last game of the nightly triple headers.

The Junior Varsity team produced another winning season despite the difficulties from the energy crisis. Together with a quick offense and a stingy defense, they won 8 of their 14 games. Despite several losses, they kept their fans on their feet with close games, losing 3 of their games by only 2 points.

Charles Green was cited by Coach Howard Ormond as the team's most improved player and ended the year as the leading scorer. George Jones also showed his potential by leading the team in offensive and defensive rebounds. He was followed closely by Mark Brown and Charles Green.

Trojanettes Provide Exciting Season

This year's girl's season was not up to par with the previous year's, although the girls enjoyed many emotional victories. The Trojanettes kept the fans on the edge of their seats with jammed overtimes. The Trojanettes were led by Seniors Shelia Hill and Wendy Martin. Shelia Hill led the team in scoring the highest points and receiving the All-District Award. Dorothy Foley along with Marrissa Pollard led in bringing down the rebounds. The energy crisis had an opposite affect on the Trojan girls. During a year when the Basketball schedules were shortened, the girl's team played four additional games over the previous year's schedule. Although the Trojanettes ended their season in a five-seven record, the season was filled with many excited moments.

This year the track team had two new coaches. Mr. Ed Bolinsky, head coach and Mr. Carl Richards assistant. Both were new to the sport but learned fast. The coaches helped the team members every day after school. Mr. D'Elia assisted the pole vaulters. The team worked hard because they knew they had a great chance for the District, Regional, and possibly State Titles. See pages 138-139 for more.

Wendy Martin Placed On All-District Team

The New Kent High School softball team experienced a very enjoyable season, winning five games and losing only to Poquoson, King & Queen, and King William. The team displayed a solidarity that held the team together through the hard games and made winning that much more of a pleasurable occasion. Mrs. Hudson acted as assistant coach to Mrs. Boyce. Their fine leadership was of great value to the team. For their efforts, Mrs. Boyce and Mrs. Hudson were each presented with plaques at the awards banquet from the team. At the banquet, Wendy Martin was named MVP in addition to her All-District honor.

The New Kent Trojans Baseball Team started its 1973-74 season with a bang. The Trojans were in division B, and were considered the team to beat. The Trojans started their season by playing the division A teams and beat all the teams in that division including District Champs Mathews and West Point. The Team will miss outstanding seniors such as Paul Davis who was our number one shortstop; Roy Lee, catcher; Dwight Brooks, Leftfield; Jeff Boisseau, Right Field; Robin Pool, Second Base; Robert Burrell, Pitcher; and Number one Pitcher Bryant Haynees. Awards this year went to Dwight Brooks Best offensive player, Scott Wallace Best Defensive player, Roy Lee Most Valuable player, and Bryant Haynes Best Pitcher.

VARSITY CHEERLEADERS ALWAYS

Sneaking into the locker room to hide a cake for the team, being dumped into cold water from a dunking booth, and attending cheerleader camp were just a few of the exciting things that the cheerleaders did in 1973-74. Before the school year ever began the cheerleaders were hard at work. Several members of the varsity squad attended a camp at Longwood College bringing back many new cheers, yells, and ideas. Selling ads for the football program started in July with the girls having the best year ever. They were also practicing several times a week and planning new ways to cheer the football teams on to victory. After the school year began the cheerleaders sponsored pep rallies, made signs, sold programs at home games, and brought oranges and orange juice for the teams to enjoy at halftime. They also made cakes and cookies for the teams to have after the game was over. Decorating the locker room for big games was another activity these energetic girls performed. Throughout the year, the cheerleaders sponsored money-making projects. For the county fair, the girls built a dunking booth, where they sat, while people threw balls hoping to see these poor girls dumped into the cold water. Sponsoring a dance after a football game also helped to make money. As a part of the week's activities before the dance a "Mr. Legs" contest was sponsored.

First row—Marian Foley, Annette Lewis, Ruth Howard. Second row—Cindy Thomas, Annie Lewis, co-captain, Lisa Oerterl. Third row—Debbie Alvis, Teresa Carlton, captain, Becky Adams.

ON THE GO'

The Cheerleading squad were all smiles before the basketball game with the women faculty.

Laurie Allen drew the numbers for the raffle as Coach Moore, Teresa Carlton, and Marian Foley look on.

Annette Lewis really cheering up a storm.

Reflections of defeat showed on all.

The Cheerleaders took pictures of nine guy's legs and the students cast their votes, a penny each for the best looking legs, The winner, Mark Neville, was crowned "Mr. Legs" at the dance on Friday. Other ways the girls found to make money included selling basketball programs at home games and selling cokes and pop corn at baseball games and track meets. In January the English dept. sponsored a faculty basketball game. The cheerleaders helped out by agreeing to be the opposing team. The Varsity and J.V. cheerleaders lost but did an outstanding job. During basketball season, the cheerleaders found ways to create lots of excitement. They got new uniforms sponsored a 2001 pep rally and held a raffle. At the raffle they gave away prizes ranging from two cans of oil to a banana, even cakes they baked themselves. After winning the District tournament, the basketball team went to the Regional tournament and the cheerleaders were not far behind. They made sandwiches, brought snacks, and wrote good luck letters to boost team morals.

J.V. LOOK SHARP IN THEIR NEW VESTS

Long, hard practice sessions and selling programs started the new season for the Junior Varsity squad. Cutting oranges and bringing cookies for the J.V. players was one way the girls showed their appreciation to the players. A Championship Victory Party was held in the locker room after the final game with Mathews. "Good Luck" posters and greetings were something the girls always remembered to say to their team.

Basketball season started off with a bang! Cheering for two games a night was not easy. The J.V. squad joined with the Varsity squad in an attempt to beat the women faculty in a basketball game.

Math Department Tries Something New

This year the Math Department had open classrooms, in which many math classes were taught in the same room. This involved individualized study by each student or a group of students working together, to see how well they could follow directions and comprehend on their own. Many students found that they made better grades on tests with this type of study. The Senior Math Class was new this year. The class was mainly concerned with the basic mathematical things needed in today's society like taxes, credit, housing, and banking procedures. The Senior Math Class took trips to a bank, credit bureau and different car dealers. An award was given to Sandy Mikelaite—winner of the M.A.A. Contest.

New Class Offered

Sociology class was offered for the first time this year. It was enjoyed by the students because they learned more about human behavior and what makes people tick. Patricia Seitz won an award for the hardest working student in the class. There was a firing line between students and administration where the students could ask questions on any subject. Regular nightly TV programs, related to the subject, were taped and shown in class. The students were able to meet with an FBI representative, Mr. Kennebrew, and found out different things and techniques they use to track down and catch criminals. They also got to talk to Cable Venable, a criminal lawyer, and Jeanne Shine, a juvenile probation officer.

P.E. Department Collected Old Newspapers

P.E. instructors placed more emphasis on skill development this year. The girls had modern dance and enjoyed it so much they had a dance program. The girls participated in field hockey and touch football. The guys participated in soccer, track, golf and tennis. The tenth grade P.E. students went bowling and the advanced P.E. classes went bowling and to Byrd Park to play tennis and to a country club to play golf. Later in the year the students collected old newspapers to raise money for the P.E. Department.

PEOPLE

People . . . New Kent People. They come in assorted shapes and sizes. There are the tall, the short, the fat, the skinny. Some have long hair, others short and curly.

Their clothes range from blue jeans to Sunday's best, and their interests are even more diverse.

The second half of our book is dedicated to these people . . . the people who make New Kent High what it is today.

The Class of 1974 Sets Precedents

In recent years, the Senior Class had been one of many activities, many decisions, and much work to do. It is the most hectic of all the years in school. This year was no exception. Many of the Seniors became frustrated with College Boards and other tests and deadlines set up for college acceptance. Many could not decide what they wanted to do. The Senior sponsors and Guidance Counselors were a great aid to a large number of Seniors. Many college representatives and recruiters from the armed services came to enlighten the Seniors and help them make decisions. Rising prices extended into Seniors' pockets as they found that ordering pictures and announcements could be very expensive. But they all realized how important these things were in making graduation as meaningful and memorable as possible. Senior class members were involved in many classroom activities. The Sociology students participated in nostalgia projects portraying the decades from 1920 to 1960 in their own special way. Choral music students sang Christmas carols outside the windows of each classroom. English classes were different with Seniors giving speeches, oral book reports, oral readings, and participating in debates.

They were allowed to go to lunch early and underclassmen were required to stand when the Seniors entered an assembly.

The Senior class was well represented in athletic events, as well as in club activities. Also, during Easter vacation some class members visited Spain, Portugal, and England.

Juniors Raised Money From Candy

Sales

The Juniors started the year in good fashion by receiving their class rings. Excitement abounded with the Junior princesses Annie Lewis, Ann Shiflett, and Gloria Paige for Homecoming. Our float "Trojans have a golden victory," won second place in the float contest. During football season, we sold refreshments in the "Shack", trying to raise money for our spring activity. The Juniors accompanied the Seniors to High School Day at Virginia Union University in the fall. Many Juniors racked their brains taking PSAT test preparing for College Boards. When spring came New Kent people were looking for dates to the Prom. This year's class broke with tradition, having a different kind of Prom and Banquet.

Sophomores Lose Chair to Poquoson

The Sophomores first project this year was building a float for Homecoming. The theme was "If you can beat us rocking, you can have my chair!" Our attendants were Dorothy Foley, Rochelle Randolph, and Ruth Howard.

Our fund raising project for the year was a dance on March 1, 1974, featuring the SRO Band. The dance was a success, thanks to a great band.

This year tenth graders put together newspapers, wrote letters of complaint to Mr. Eagle, participated in the One Act Play, attended plays, and went bowling.

Class of 1977

Wins Homecoming Float Contest

Enthusiastically the class of 1977 gathered together in the early days of the school session to elect officers and make plans for the year.

Homecoming and its activities claimed attention right away as they selected three of their most attractive girls to represent them on the court. "Brand The Bull Islanders" was the theme of the first place float and it was theirs!

The SRO's made their first appearance of the year with the Freshmen at their dance following the Charles City football game.

Class of 1978

Sponsors Spring Dance

The eighth grade began a good year by working hard on their Homecoming float. The theme, "Sink the Islanders," was portrayed by a ship firing bombs at a tropical "island." The eighth grade princesses were Lydia Phillips, Betty Burrell, Kay Dudley, and Cindy Mihalcoe.

We also enjoyed working in the magazine drive. The eighth grade placed second, receiving half of the profits from the sale.

Sports kept many of us busy all year. Both football and basketball were great favorites. On April 19, 1974, we sponsored a dance with the SRO's playing. It was a very successful and enjoyable ending to a full year of activities.

Class Officers (top to bottom): Richard Christian, Reporter; Lydia Phillips, President; Pam Smalley, Treasurer; Annette Bailey, Secretary; Darlene Thompson, Vice-President.

Boogie Down With The 7th Grade

The officers for the year '73-74 are as follows: President—Kay Dudley, Vice President—Cindy Kemp, Secretary—Cindy Mikelaite, Treasurer—Melody Boisseau. The seventh grade class has been fairly active this year, one field trip was taken to Williamsburg pottery and to a local theater to see "Brother in the Wind." The class participated in the school's annual magazine drive and won first place. During the Homecoming activities the class entered a float with the theme "Keep On Truckin!" The attendants were Kay Dudley, Lelia Christian, and Pat Jones. The truck was made of multi-color flowers.

Class Officers all smiles.

Get back to nature.

Hike along Chesapeake's Nature Trail.

All sorts of interesting plants, flowers, shrubs, and trees are marked along the way...like Christmas fern, Devil's Walkingstick, and Slippery Elm to name a few. And don't be surprised if a wild turkey or deer darts by.

Enjoy Chesapeake's hunting areas and recreational areas.

Much of Chesapeake's land is open to the public for hunting by permit. Hunt clubs are invited to lease lands. Plus, certain areas are set aside for special recreational uses.

Let's protect our forests.

At Chesapeake we believe in the forests. They have to be protected and wisely used to supply man with his growing needs. To meet not only his physical needs, but his recreational needs as well.

Public recreation programs. Just another way Chesapeake is working with nature to serve man.

For more information on the nature trail and special group tours or for more information on hunting, contact: Director of Forest Information and Education (804) 843-5375.

NEW KENT CAPTURES GROUP A STATE TRACK CHAMPIONSHIP

The New Kent track team brought the first state trophy in athletics to New Kent High School when it "ran away" with the Group A State track meet held in Lynchburg. The track team also won regionals when it took seven people to regional and all seven placed. The really fantastic thing was that all seven people placed in the state capturing the state crown. John Christian scored nineteen points at the State meet which was more than all the schools represented except two. Congratulations to the "1974 STATE CHAMPS"!

Regional and State Champions from left to right: Anthony Green, Al Otey, Frank Christian, Julius Bassett, back row: Paul Davis, Bruce Wiley, John Christian.

Mr. Eagle leads the parade, when the students take time out to wish the state bound track team farewell and good luck!

Everyone got their wish, as New Kent High School proudly displays the "1974 State Championship Trophy".

John Christian shows his high jumping style that won him second place in the regional and first place in the state . . . up

. . . up . . .

. . . over . . .

Paul Davis concentrates as he prepares to vault.

Concentration pays off as he shows his style that made him state champion in '73 and third place in '74: 12'6".

John is about to clear 6'2".

Julius Bassett and Frank Christian exchange batons in the 2nd best 880 relay team in the state.

Anthony Green shows his speed and style in the 100 yard dash.

John Christian easily takes first place in State in the 100 yard dash: 10.0.

Bruce Wiley vaulted to fifth place in State: 12'3".

Wiley pushes away the pole as he clears the bar.

Al Otey has good reason to smile about fifth place in State in the 880: 202.2.

What's Up?

For the Senior—the World of work awaits; the puzzlement of what lies ahead for them.

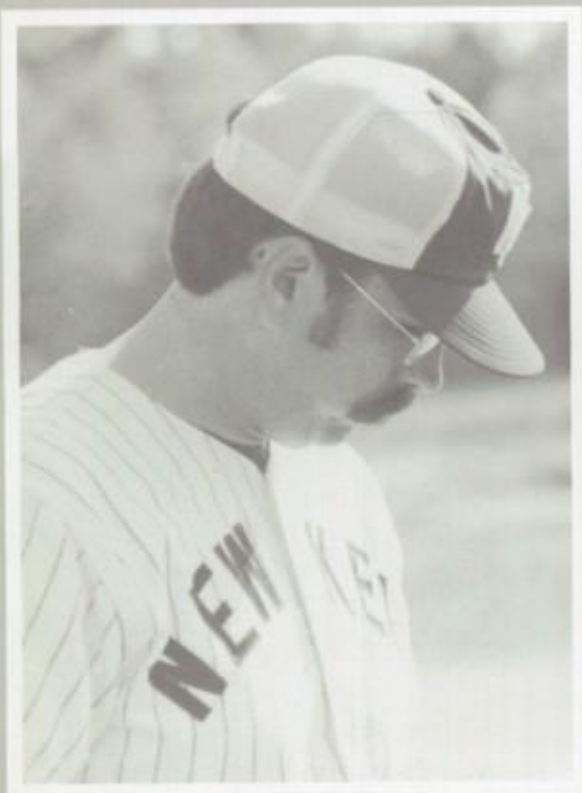

For the Underclassmen—they'll be back for a year filled with new events, activities, new faces—"Pride Year."

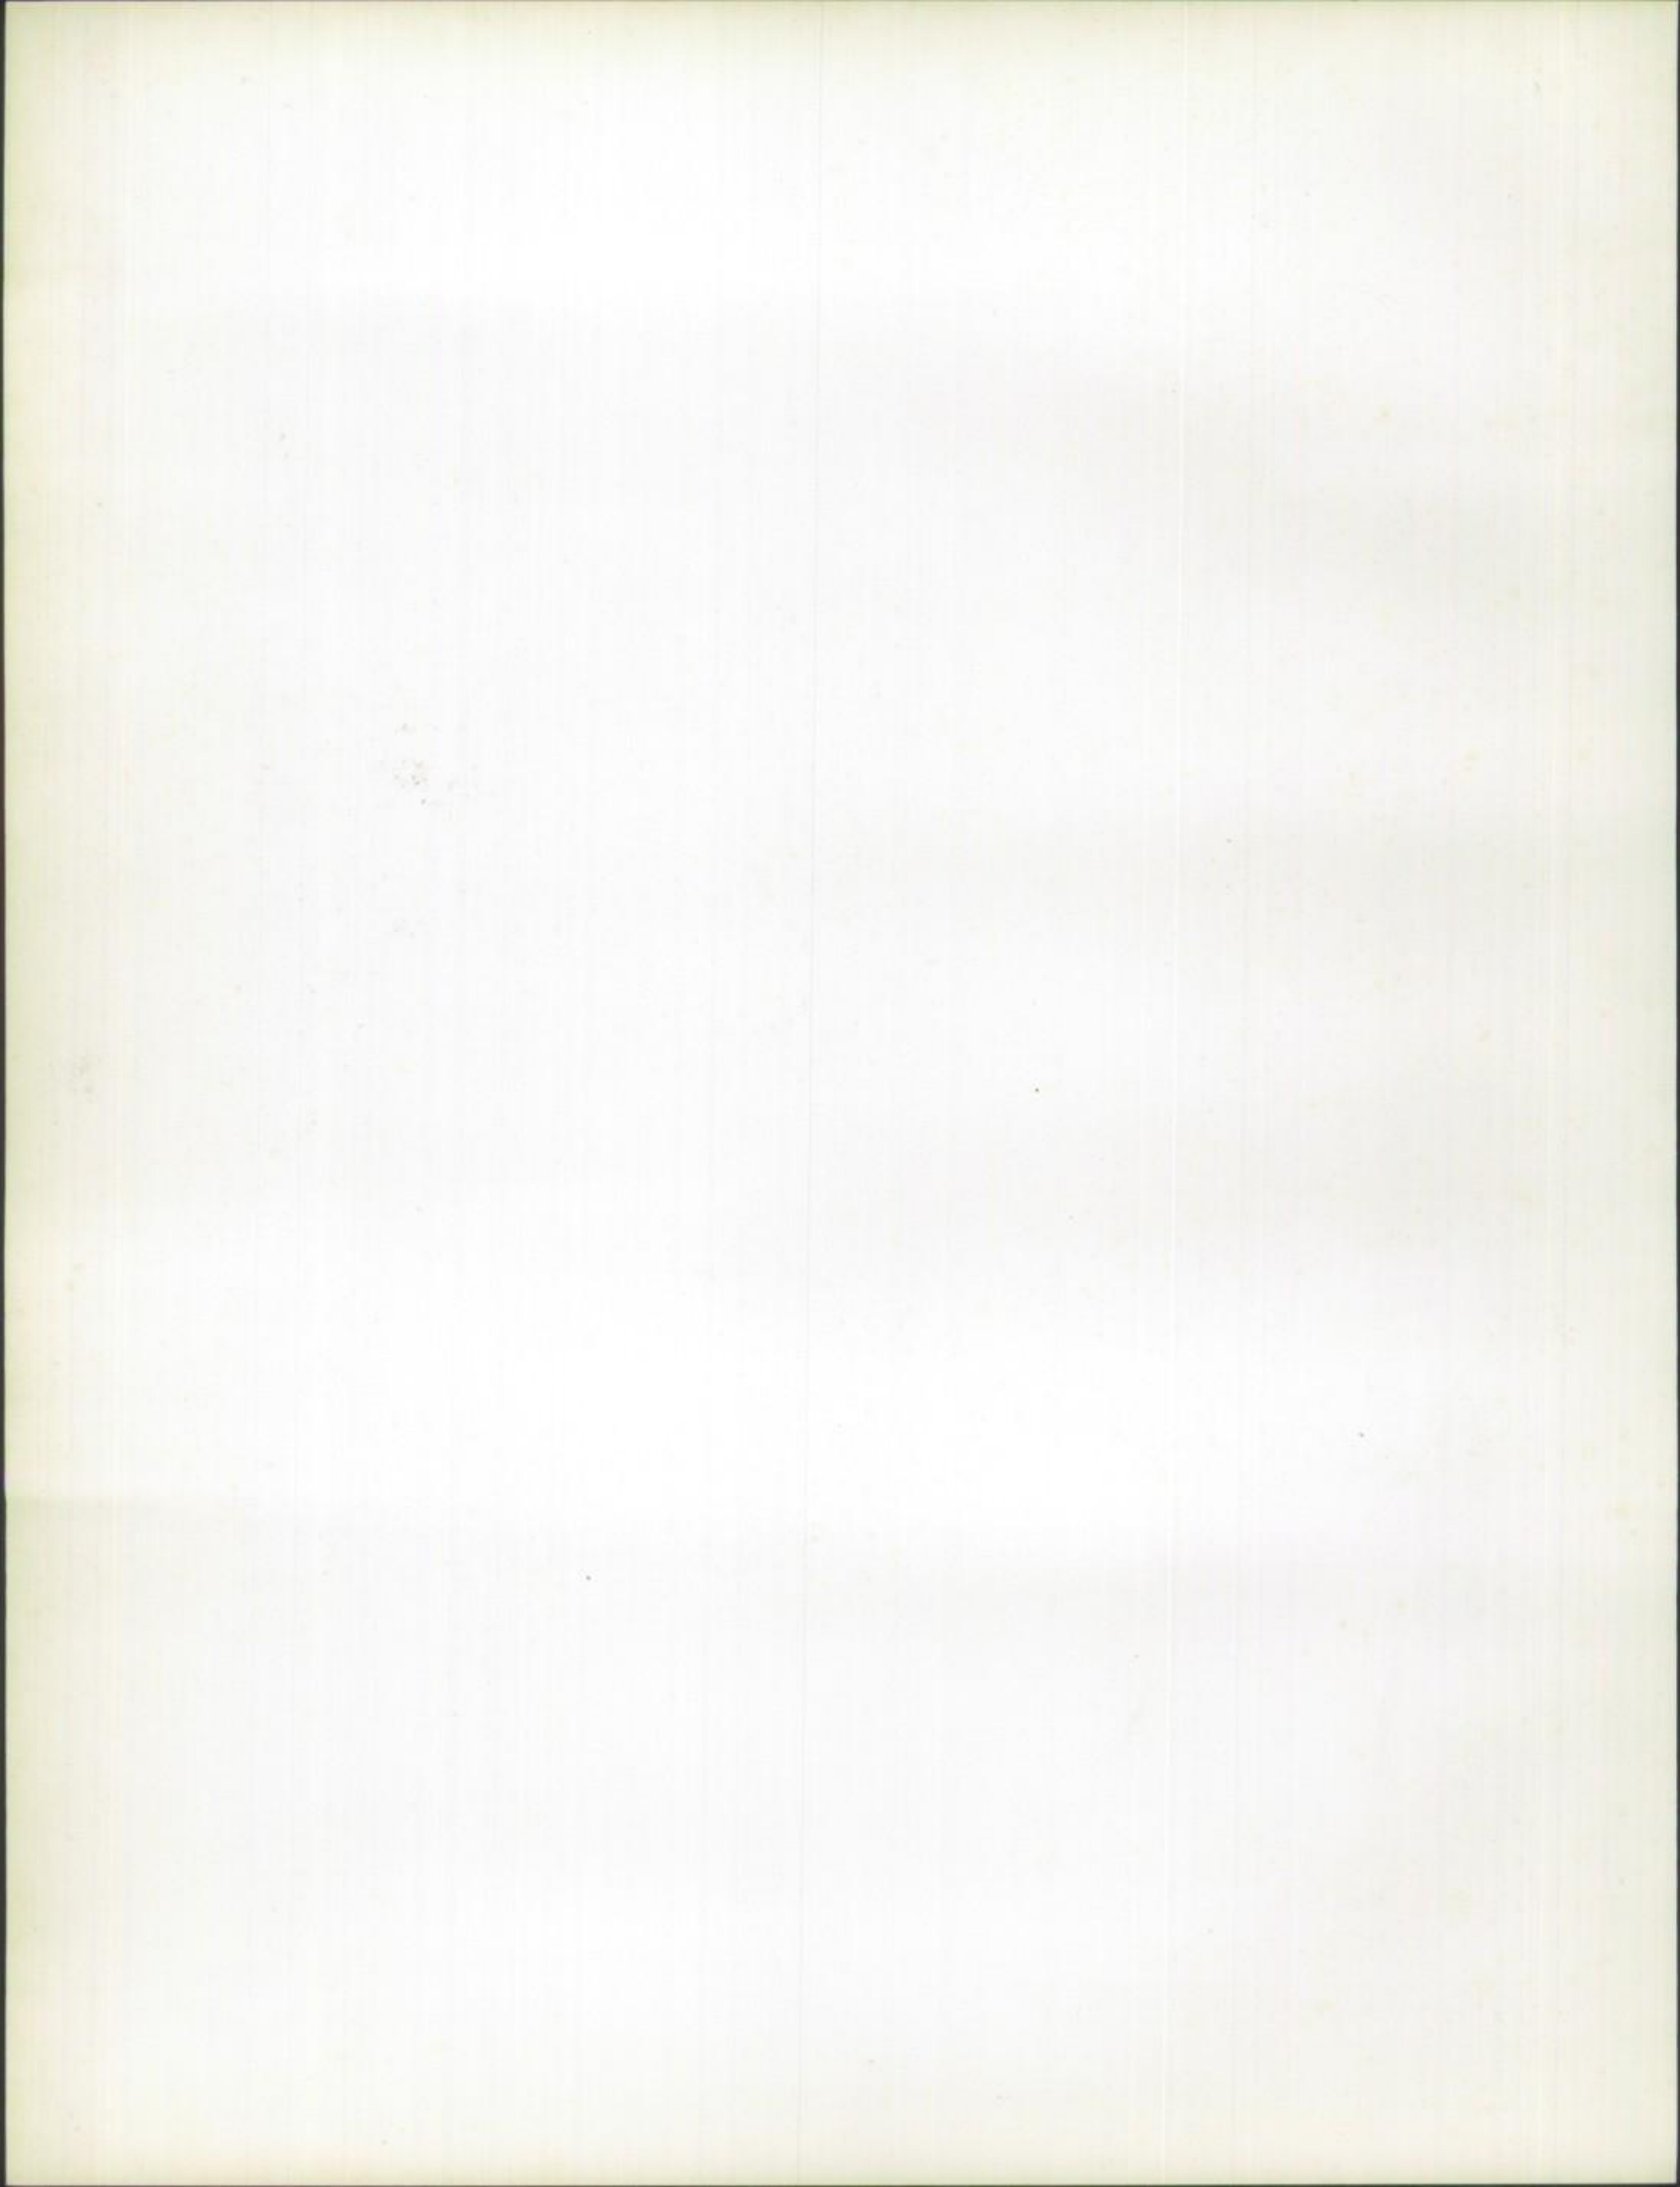

For the Juniors—they embark now on "their year" as the new group of Seniors.

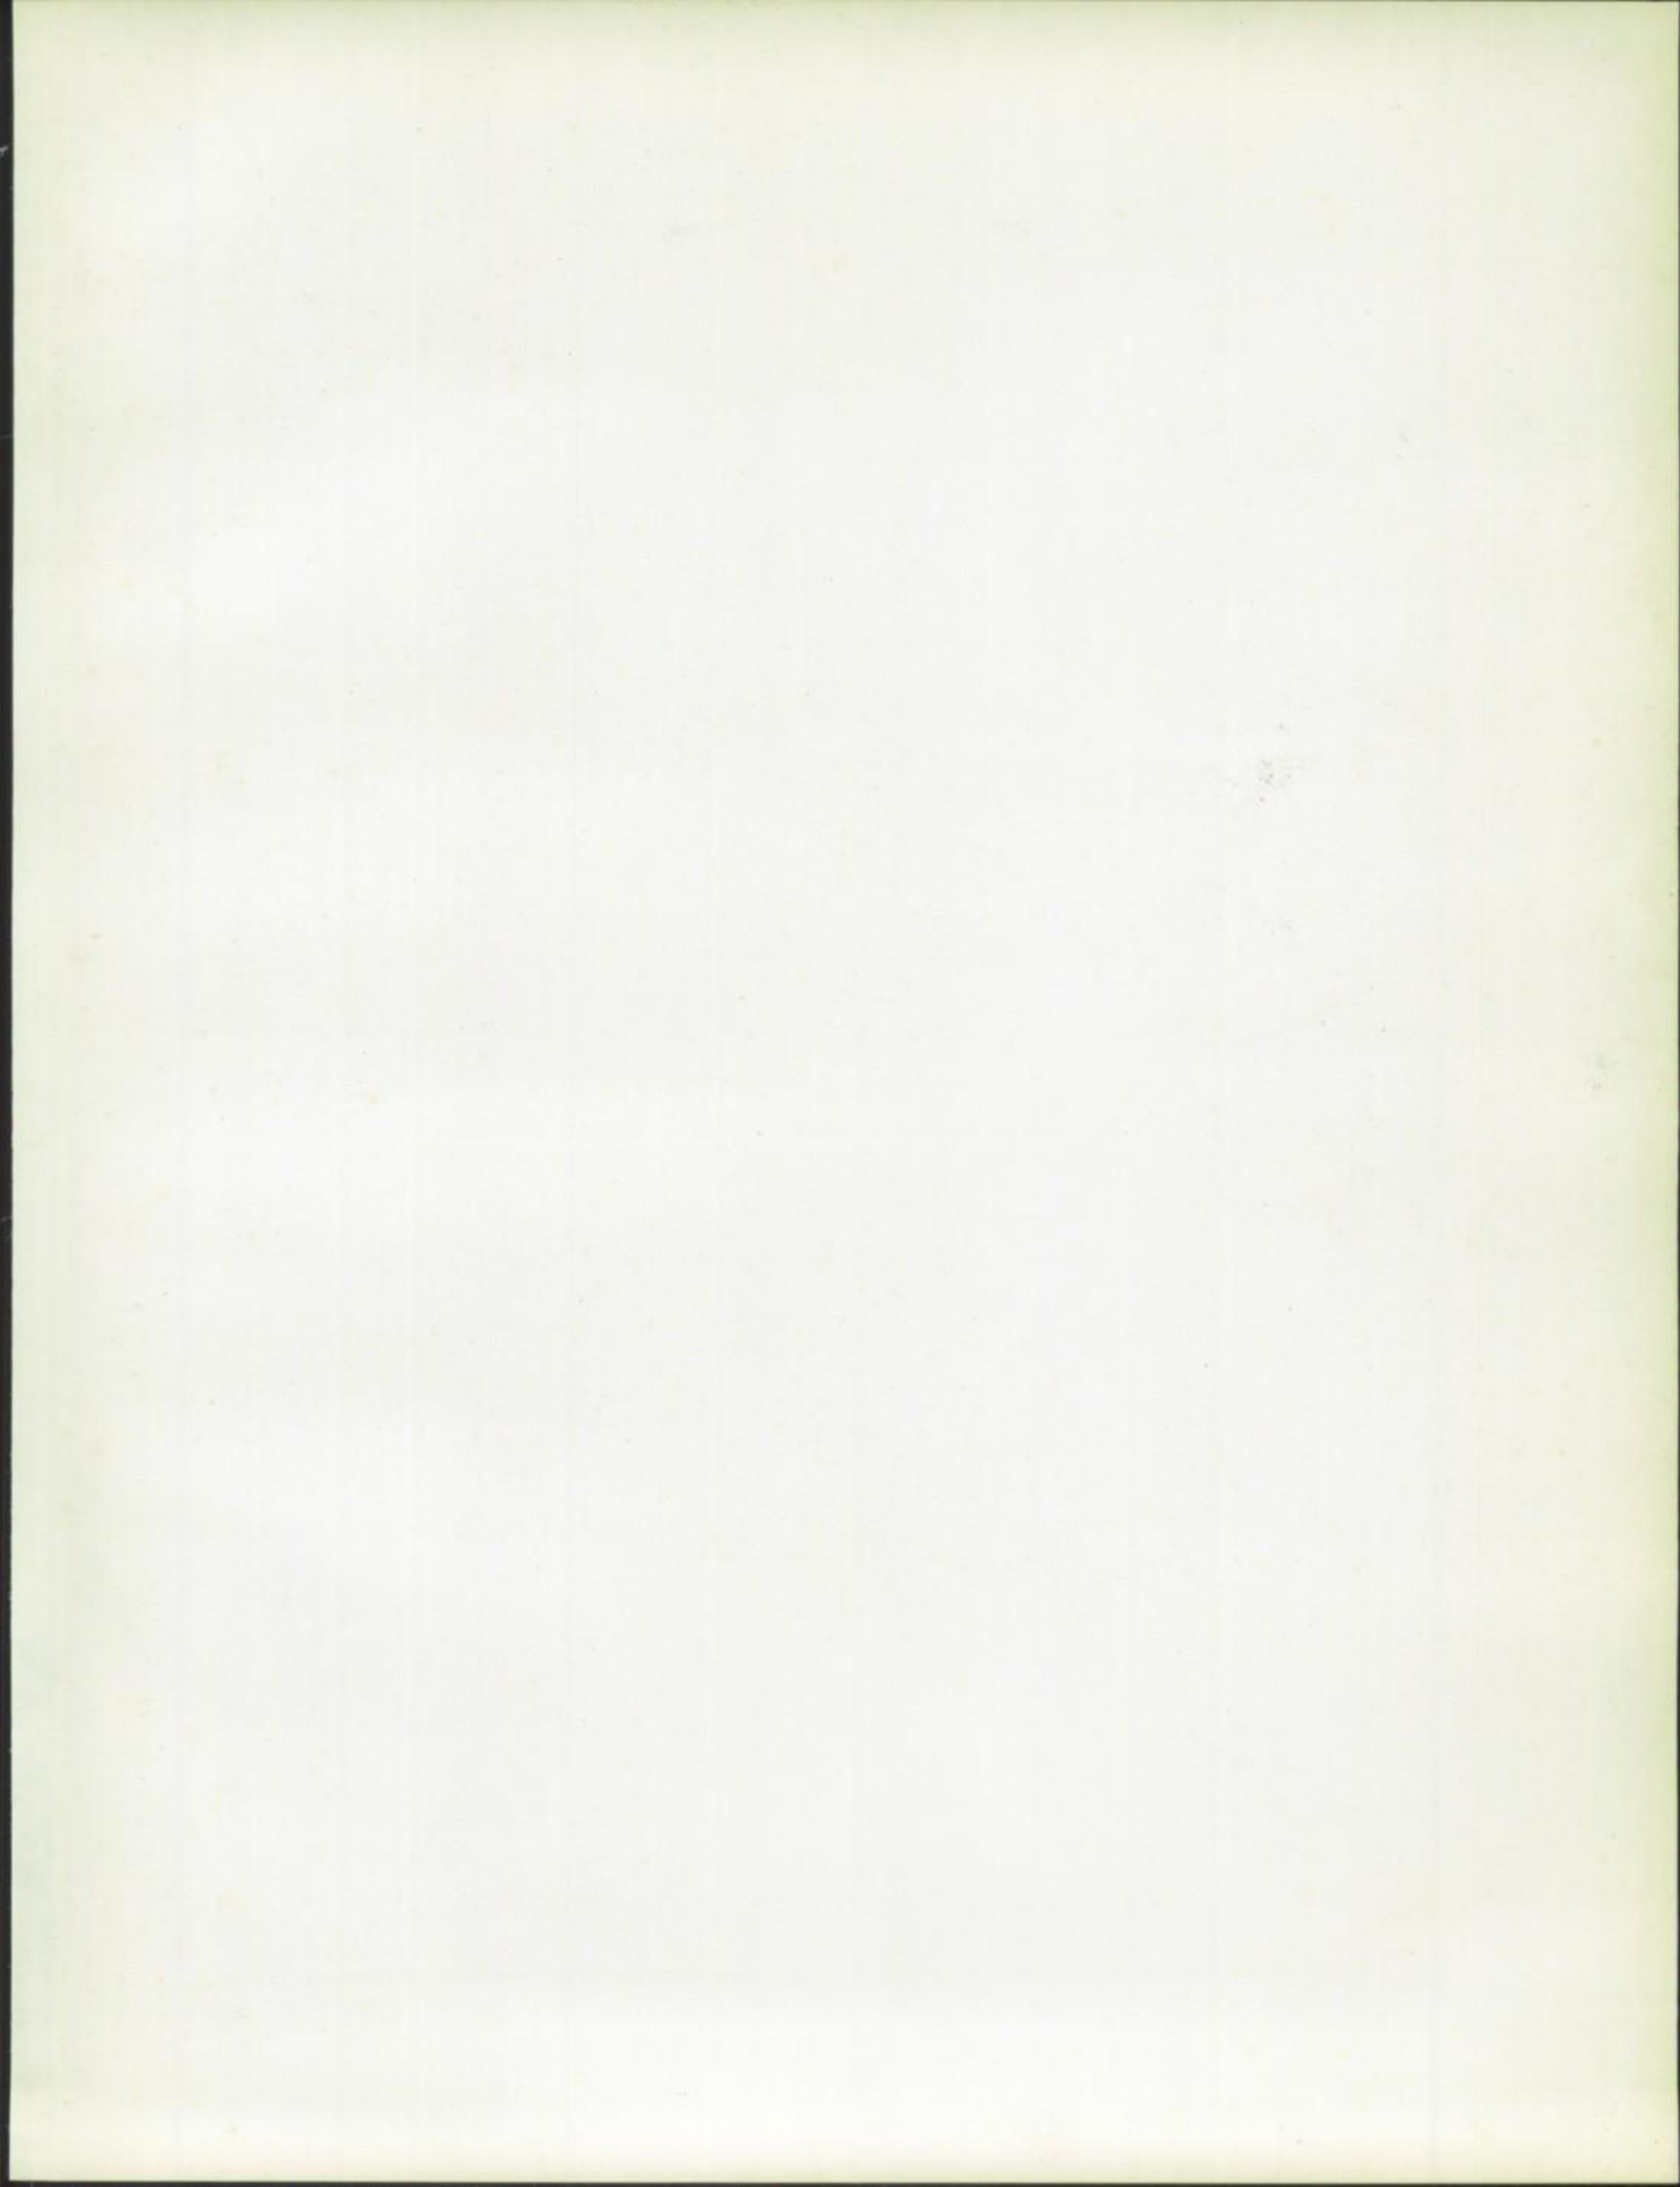

For NKHS—more faces more fond memories and activities to be echoed throughout.

We hope with this year's Iliad we have portrayed "what was up" at NKHS in 1974.

We'd like to give a special thanks to Mr. Don Glasser for his great photography and late nights spent developing and to our advertisers for their support.

A large, stylized, dark blue graphic element resembling a thick, jagged line or a stylized letter 'W' or 'M' on a light beige, textured background. The shape is composed of several sharp, angular segments, giving it a dynamic and abstract appearance. It spans most of the width of the page and is positioned in the lower half.
